## 3 on 3 Tournament Rules:

1. **Team Roster:** Only the Four players listed on the team roster will be allowed to play.
2. **Basketballs:** Teams will provide their **OWN warm-up balls**. Game balls will be provided.
3. All games will be officiated by one referee. A scorekeeper/clock attendant will be provided. The referee has the final decision on all disputes. Teams will not be able to call any timeouts at any time during game.
4. **Game Length:** There will be one clock for all courts. Twenty-minute games or 21 points. The clock will stop with ten-minutes left and again when five-minutes remain in the game. These two time-outs will each be one-minute and thirty-seconds in length and result in alternating possession after each time-out.
5. **Overtime:** In case of a tie, **all** members from each team will shoot one free throw. All members of one team shoots their free throws. Then the second team members **all** shoot. Team with possession arrow shoots first. Repeat the complete process until tie is broken alternating team that shoots first. Team that wins will receive 1 additional team point. If any team only has 3 players, they are at a disadvantage.
6. **Pool tie breakers:**
  - 1<sup>st</sup> Fewest overall losses for 1<sup>st</sup> three games
  - 2<sup>nd</sup> Head to Head (if only two teams)
  - 3<sup>rd</sup> Defensive points allowed for 1<sup>st</sup> three games (Forfeits result in a 21-0 score)
  - 4<sup>th</sup> Offensive points scored for 1<sup>st</sup> three games (Forfeits result in a 21-0 score)
  - 5<sup>th</sup> Coin flip
7. **Scoring:** Field goals made inside of 3-pt line and free throws will count as 1 point and all field goals made outside the 3-pt line will count as 2 points.
8. **First Possession:** Winner of pre-game coin flip takes first possession.
9. Substitutions are to be made on dead ball situations only.
10. Three seconds in the lane will be called.
11. On every **possession change** including a made basket, jump ball, ball out-of-bounds or violation, the ball must be **checked in appropriately by the defense at the top of the 3 pt line**. There will be **alternating possession on jump balls**. The ball remains live when the defense gains possession on a defensive rebound or steal of the basketball and the defensive team must have a player with the ball and **ONE** foot anywhere beyond the 3 pt line before they become an offensive player. There are **no free take backs**. If defensive team gets a defensive rebound and loses ball before the ball is taken back behind the 3 pt line, the ball does **NOT** have to be taken back behind 3-pt line since it already has been taken back by original offensive team that has ball.
12. As soon as the ball touches the offensive player it is a live ball that can be passed, dribbled or shot.
13. **Fouls:** To encourage good clean play, the following rules will be in effect:
  - 0-6 Team Fouls:** All fouls are non-shooting; ball possession goes to non-offending team.
  - 7-9 Team Fouls:** All fouls will result in one (1) free throw attempt for the non-offending team (Free throw line will be moved up for grades 2-4). If free throw is good, 1 point is awarded and ball possession goes to non-shooting team. If free throw is missed, ball possession goes to the team that was shooting the free throw. **All** shooting fouls beyond 3 pt line result in 2 free throws and the non-shooting team gains possession regardless of outcome of free throws.
  - 10 or more Team Fouls:** All fouls result in two (2) free throws or three (3) free throws if shooting foul beyond the 3 pt line. Ball possession is awarded to the non-shooting team regardless of outcome of free throws. Free throws can be attempted after the buzzer sounds at the end of any period if foul occurs before the buzzer.
  - Defensive fouls with made basket:** Team that scores will get the point for the basket while the defensive team will be assessed a team foul and get possession of the ball. An additional free throw attempt will only be granted when a defensive foul on a made basket creates 10 or more team fouls for the defensive team.
  - Flagrant/Technical Fouls:** All flagrant/technical fouls will result in 1 point being awarded and possession to the non-offending team regardless of the number of team fouls at the time of flagrant/technical foul.
  - Two flagrant/technical fouls on the same player or coach will result in immediate player disqualification from the tournament.** The referee will remove any player who is fouling excessively, without warning.
14. **Stalling:** No stalling allowed. If referee determines the offense is stalling, they will be giving a 10 second count down to shoot. A stalling violation against the offense will result in the ball possession being given to the defensive team if a shot is not taken during 10 second count down. Deliberate ball check-in stalling at the end-of-quarters will result in **two** free throw attempts for non-offending team.
